Adverse Claim to Foreshore, Isle of Ulva - AR7-5-1

Please find enclosed revised plans. The enlargement, plan B, has been amended to reflect that the solum of the Ulva jetty does not belong to The Crown Estate. You will also note that the area of foreshore which we have retained has been extended to the west to include the cables that cross the area at Sailean Ruach.

Please do not hesitate to give me a call if you wish to discuss this matter.
